

If you work in poverty alleviation, chances are you've heard of Opportunity Collaboration. The 350-person un-conference tucked away on a beach in Mexico is getting outsized results building sustainable solutions to poverty and has earned a unique reputation. Here's a look at why...

84% of delegates say they are 'very' or 'Extremely Likely' to recommend the experience to trusted friends & colleagues

"My favorite experiences were the daily Colloquium for the Common Good, meetings in the ocean, the thoughtful and generous nature of the attendees, and the all-inclusive venue (great food and service!) Outstanding conference - hits all the right notes."
-Jill Ultan

OC Delegates keep coming back...

What delegates say they get from OC...

68% of delegates have already reported concrete business outcomes from the collaboration:

Reasons delegates recommend Opportunity Collaboration...

Who comes to Opportunity Collaboration?

Past delegates came from 28 different countries and work in at least 30 more...

"I have been to many conferences over the past 25 years and never have I left feeling energized and committed to do good." -Amlaz Negash

74% of delegates are top executives and decision makers in their organizations. (CEO/Founder/ED/Director)

What delegates say they do at OC...

(The word cloud below is based on delegates' responses to the question "What was your favorite thing about Opportunity Collaboration?")

Only at OC...

"WHAT CAN I DO FOR YOU?" CULTURE

FLOATING MEETINGS

COLLOQUIUM FOR THE COMMON GOOD

STUDENT DELEGATES WELCOME

"The biggest asset is that the common binding question is 'What can I do for you?' Everyone is looking to help one another. I met people that could help me solve problems in logistics, board development and communication." -James Harrington

"I absolutely loved meeting in the ocean, on the beach or in the pool - the atmosphere was relaxing and simple. I built lasting partnerships." -Denise Ortiz

"I'm not very good at authentically sharing myself in such a group-oriented way, but the colloquium brought it out of me, challenged me to grow, and challenged me to be authentic and vulnerable. Unexpected and happy about this." -Christopher Garrett

"I had the best of my time with the kids. Their insightful questions during our workshop surprised and impressed me. Truly kids being kids as they learn about the world." -Kennedy Odede

But, be prepared, delegates say...

"It will ruin you for every other conference!"
